

Invitation

Dear members

You are cordially invited to an international online webinar to celebrate the establishment of a women's forum within EUREL:

Women & Energy for Sustainable Future

Monday | August. 28, 2023 | 15:00 (GMT + 2)

Via ZOOM Platform

The first of two planned conferences focus on women's remarkable achievements, challenges, and opportunities in the energy industry.

By bringing together distinguished professionals and experts, we hope to create an engaging platform for fruitful discussions, knowledge sharing, and inspiration.

Join us as we embark on an empowering journey, celebrating the contributions of women in energy and forging a path towards a more inclusive and equitable future.
